

**We would like to invite you to take part in a competition to increase groundwater awareness at school level.**

*The competition will be divided into different categories:*

**Age 6 – 9: Colouring competition** to coincide with the release of local translations of Wally and Deanna

**Age 10 – 13: Colouring competition** of buildings with windpumps

**Age 14 – 18: Write an essay, produce an artwork or do a scientific investigation showcasing the importance of groundwater.**

*Every entry has to be accompanied by the entry form.*

Deadline for submission: **30 September 2021**

**Prizes will be awarded as part of the conference programme.**
